impressive comfort and support

# Obusforme® Comfort Series

## Obusforme Comfort Series

A unique inner support system helps reduce back strain by guiding your back into a correct healthy posture. The backrest continuously supports the natural lazy "S" curve of your spine.

Select models feature depth adjustable lumbar support. All models feature contoured seat, seat depth adjustment, height and width adjustable arms. Available in fabric, vinyl and leather upholstery.

1240-3 High Back Multi-Tilter in Momentum, Tek Echo with Black base.

1241-2 Medium Back Knee-Tilter in Momentum, Tek Echo with Black base.

Width adjustable arms can accommodate a wide range of users and working styles.

Armcap slides forward or backward to desired position. Armcap rotates 30° to provide more effective support for keyboarding.

Arms are height adjustable for effective arm support.

A sliding seat depth adjustment is featured on Knee-Tilters and Multi-Tilters.

# Obusforme® Comfort Series

## Obusforme Comfort Multi-Shift HD 24 HR Multi-Tilters

24 HR models are designed for multi-shift use and will accommodate users up to 350 lbs.

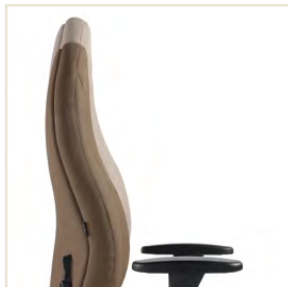

Obusforme Comfort Series is renowned for providing exceptional back comfort that cannot be compared to any other seating product.

TS1240-3 High Back HD 24 HR Multi-Tilter in Momentum, Flux Dune with Black base.

TS1241-3 Medium Back HD 24 HR Multi-Tilter in Momentum, Flux Dune with Black base.

Back height adjustment enables the user to position the lumbar support to their personal preference.

Contoured seat shape effectively supports the pelvis and hips in a comfortably balanced position.

Selected models are equipped with a depth adjustable lumbar support. Simply rotate the lever on the back to increase or decrease the amount of lumbar support provided.

Elastomeric back support system provides support with no pressure along the spine.

# Obusforme® Comfort Series
