
Gobi™

SitOnIt • Seating®

California born and bred

We're a leading manufacturer of commercial solutions in the U.S. — and #1 in task chairs. From tables and lounge to screens and more, we've been the go-to destination for comprehensive, build-to-order solutions for almost 25 years. We combine award-winning design with the fastest lead times around, and our design and planning services can turn product innovation into your space inspiration. We're able to build almost any specification you want, deliver it when you need it, and offer a level of value no one can match. It's all part of our indie California spirit and drive to be the one place you go for any (and every) space.

Made for modes

Work mode. Wait mode. Let's-get-it-done mode. Today's open and collaborative spaces should help you shift spontaneously. And Gobi is the perfect huddle partner. Its sculpted comfort and modern, easy-going design can carry you through the many modes you find yourself in – so that another day at the office feels like anything but.

Optional auto-return base ensures Gobi always faces forward for fresh, clean spaces.

Assemble your ensemble

From small gatherings to larger configurations, Gobi pairs well with just about any group – mixed or modular. Flared arms offer an open invitation to sit while a wide, comfortable seat provides a refined and roomy rest when you do.

No reservations required

Big ideas can be hard to schedule and often take place outside dedicated meeting rooms. Go-with-the-flow Gobi helps you huddle for every brainstorm, touch-base and last-minute meeting of the modern office with the sit-ability you expect from the leader in comfort. It's also perfect for creating casual collaboration corners and in-between islands you can breeze through on the fly.

Minimalist design, easy angles and soft, sculpted curves add comfort to every encounter.
